## **DETAILED ACTION**

### ***Remark***

1. Claims 1-15 and 17-19 were previously canceled; and claims 16, and 20-32 are for reconsideration.

### ***Drawings***

1. The drawings filed on 12/30/1999 are acceptable subject to correction of the informalities, formal drawing is required. In order to avoid abandonment of this application, correction is required in reply to the Office action. The correction will not be held in abeyance.

### ***Allowable Subject Matter***

2. Claims 16, and 20-32 are allowed.

### ***Reasons for Allowance***

3. The following is an examiner's statement of reasons for allowance:

Regarding claims 16, and similar in claims 25, 27 with method claims 30 and 31, the closest prior arts of record to Collings and Hancock fail to either alone or combine to teach or suggest a system for controlling television images and its corresponding method, wherein the system comprising *at least one override list including at least one override instruction as stated and further at least one previously used override list including at least one previously used override instruction wherein the previously used override instruction is able to be recalled for use in setting a new override instructions and a memory for storing the at least one previously*
